

# CHERRY CREEK HIGH SCHOOL WATER POLO

## Sponsorship Opportunities

### About This Opportunity

Water Polo is the newest sport at Cherry Creek High School, **MaxPreps' #1 sports school in the country**. This is a rare opportunity to be one of the inaugural team sponsors for this program.

### Why Sponsor?

Gain exposure to Cherry Creek High School Students and their families. Help make the Water Polo program more accessible and equitable. Earn the respect and appreciation of a new generation of athletes while promoting your brand or cause within the Cherry Creek School District. Your sponsorship will help the team pay for:

Your support helps offset the initial investment required to launch a new program, including competition goals, practice balls, and custom caps.

#### Expenses
